**I understand I must pay an additional non-refundable fee of <u>$200.00</u> before I acquire a pet. Bringing an animal onto the property without payment of the pet fee is grounds for immediate legal eviction. Hinson Management is to approve the breed of the pet.**

You must provide us with a recent photo of each pet with the pet's name typed or clearly printed on photo. We will keep this on file throughout the term of the rental agreement. Applicants are allowed to e-mail a recent photo of your pet(s) to candy@hinsonmanagement.com.
